Dear Friend,

I am honored to invite you to join us as a sponsor of the upcoming *Greenville Heroes: Serve & Protect Awards Luncheon* on August 30th at the Hyatt Regency. A sponsorship form is enclosed as well as a description of the various sponsorship opportunities and benefits.

The purpose of the event is twofold. First, the occasion will serve to honor Greenville City police officers and firefighters. As importantly, this fundraising event will provide critical financial support for two established scholarship funds that give financial aid to the children of Greenville's firefighters and police officers.

Recent events bring to light the danger our first responders deal with daily as they live out their call to keep us safe. Their hard work and dedication in our community is worthy of our admiration and appreciation. **This community event will let our police officers, firefighters and their families know that we do not take their service for granted.**

At the luncheon, we will honor a firefighter and a police officer with the *Hero Among Heroes Award* in recognition of his/her exceptional dedication and diligence to his/her job. The event promises to be a special, memorable occasion.

Greenville is blessed by the beauty of our city and its quality of life, which have been preserved and protected by members of our City Fire and Police Departments, both past and present. We are grateful for the opportunity of hosting the *Greenville Heroes: Serve & Protect Awards Luncheon* that will provide support to the families of our local heroes.

Our hope is that you will participate with us in this special community event as a sponsor. Thank you for your consideration of sponsorship, and please let me know if you have questions.

Sincerely,

DJ Rama, President & CEO
